

Mailing in 5 steps

Shipper fill-in shipping information through **SFHK APP** and well-pack the parcel according to the packaging guidelines.

Shipper could either schedule a **to-door pick up** or **self-drop off** at **SF Network Points** and pass the parcel to SF staff.

SF staff will **check the consignment and the packaging** to ensure it is under transportation and custom regulations.

Once shipment successfully sent, shipper and recipient can **track and see real-time parcel status** through SFHK APP.

Recipient can receive the parcel after signing off. Use **QR Signing** for a fast and hassle-free pick up experience!
