**Remarks:**

- Shipments are calculated in 1kg increments, weight in decimal kg will be rounded up to the nearest kg.
- The chargeable weight (kg) of a shipment is determined by the actual gross weight or the volumetric weight (L x W x H (cm) ÷ 6,000), whichever is the greater.
- For the trucks used in heavy freight service, even the same model, there might be some differences in interanal dimension and actual cargo load. For more details, please refer to S.F. Express official website.
- The above rates do not include Special Warehousing Service Charge and other Special handling fees
- SF Express reserves the right at any time to amend, modify or discontinue the services, tariffs and applicable terms and conditions without prior notice.
